Alternat+ves

Alternat+ves combines traditional step method groups with modern recovery techniques to help friends and family manage the addiction and recovery of someone they care about that has struggles with substance use dependency whether it be alcohol, drugs, gambling, or other addictive activities.

Alternat+ves is run by a UK based couple that have been on their own journey of recovery, since 2008, from the effects on their family of their eldest son's co-occurring disorders.

They run online support groups accessible via their website - some require prior registration.

Phone: 07982 815783

Website: <https://www.alternat-i-ves.org/index.html>

Email: alternatives@gmx.com

Carers Support West Sussex
